#### **EXCELLENCE**

Francis Jordan Catholic School is a family orientated Catholic community-based Parish primary school with an enrolment of approximately 460 from Pre-Kindergarten to Year Six. The schools' vision is centred on the person of Jesus and the teachings of the Catholic Church where children thrive. Our school strives to promote a safe, creative, dynamic community that nurtures and educates the whole child (spiritual, moral, intellectual, social, emotional, and physical) to be life-long learners and problem solvers, providing the skills necessary to succeed in a changing society. Furthermore, we aim to provide foundations in the Catholic faith that will enable our students to value and live their faith throughout their lives. It is the intention of all involved in the school to provide an environment where the students feel, valued and challenged to excel. Families are encouraged to be as involved in the life of the school as they can be. The school is a more complete community when this occurs.

Respect for the dignity of each person and the school's motto, *"The truth will set us free"*, underpin our relationships, actions and endeavours. Respect for the dignity of each person and the school's motto underpins all actions and relationships in the school.

The school is a learning community, where students are developing into young people who think clearly, act with integrity, generosity and humility, are sensitive to the needs of others, have a desire to serve the community and adopt a global perspective. Our school is a place where prayer and liturgical celebrations provide a central focus for a Catholic Christian community.

The school's vision is to nurture a passion for learning and excellence. The distinctive features of our school include;

- an excellent reputation in the community for academic performance
- a strong emphasis on information and communications technology
- a healthy active lifestyle is promoted through the involvement in a wide range of activities in sport and physical education including an Active After School Program
- extensive learning support for students in need
- a Gifted and Talented Program
- an extensive Performing Arts Program incorporating class music; small group instrumental music tuition, recorder ensembles, brass and guitar ensembles, school bands and choir
- The school also offers a comprehensive before and after school care service.

## **STUDENT ATTENDANCE**

Overall %Attendance	91.1	93.5	95.2	94.3	95.4	95	94.3	94.48	94.2

## **MANAGEMENT OF NON ATTENDANCE**

Attendance registers are marked each morning and afternoon by each class teacher. Parents are contacted by SMS if a student who is marked absent does not have a registered reason for absence. Parents are requested to forward this notification to the teacher. Written notification must be submitted to the class teacher explaining all absences. Notification by email is accepted provided the email contains the name of the student and the parent as well as the reason for and date of absence. Where a student absence is expected for extended periods, parents are required to submit an application for leave of absence to the Principal stating the duration and reason for the students leave. The respective class teacher is then informed and the absence duly recorded. This application is kept on file and each class teacher retains all absentee notifications. Where an explanation of leave is not forthcoming in a timely manner, Administration contact the family regarding this absence to determine an explanation. Electronic student attendance records are maintained with responsibility taken by the Principal. School attendance audits indicate the school adopts a positive approach to the management of attendance data.

## **STUDENT, PARENT AND STAFF SATISFACTION**

### **Students**

The student council are an excellent barometer for the attitude of the children who are enrolled at Francis Jordan, as are newly enrolled students who transfer from other schools, whether it be from overseas or from within Australia. Comments on how well they have settled and feel at home in their new school are common.

Student feedback indicates a high percentage of satisfaction with teacher relationships. This is due to the energetic way that lessons are delivered and planned. There is a high level of student morale and a low level of distress amongst the students.

Students feel a strong connectedness to the school and see their teachers as having empathy for them. Students are highly motivated to learn and be at school and generally feel safe and secure at school.

### **Parents**

The school has a steady enrolment demand with vacancies existing in some year levels and waiting lists in others.

Parents continue to attend a range of meetings and activities in significant numbers. These include special events such as the Easter Passion Play, Award Assemblies, and Class Assemblies. Special occasions such as Easter Liturgies and the Mothers' Day Liturgy, Fathers' Breakfast and events such as the Christmas Concert Musicals continue to be regularly over-subscribed. Parent involvement at P&F meetings and associated activities such as the Family Fun Night have been excellent. Requests for parent assistance is met with much response.

Parent feedback is generally very positive. Parents indicate a strong support for the safety of their children while at school as well as for their behaviour and that of other children in class and around the school. Parents consider the behaviour management by the staff as very effective. Parents indicate a high support for the extra-curricular opportunities offered to students. There is a strong support for the classroom learning focus and homework expectations.

Anecdotal feedback from parents is generally positive. When parents attend enrolment interviews, feedback from existing parents and knowledge of the school reputation within the wider community, are reasons communicated as the major influence for their decision to lodge an application for their child to attend the school.

## **Staff**

During 2017, Staff continued to progress and manage system requirements whilst maintaining a healthy working climate. At the end of 2017, there were minimal staff changes. This is one indicator of the high level of staff satisfaction working at the school and being part of the staff and the wider community.

Staff goal setting meetings indicated that staff feel supported and comfortable with their workload. Staff rate the behaviour of students both in the classroom and around the school highly. Staff set high standards for all students.

Staff indicate a very high level of both individual and school morale together and provide support and feedback to one another. An area noted for ongoing improvement was a continued emphasis to build staff ICT capacity.
