

Francis Jordan Catholic School

OUR VISION

Francis Jordan Catholic School prepares students for a lifelong journey
by nurturing a passion for learning and excellence while remaining
centred on Jesus and His teaching's.

Principal's Message

Dear Parents, Children and Friends,

We have certainly been through a very different end of term one and start of term two. I would like to thank everyone for the way they have followed directions, cared for each other, and tried very hard to make the changes work. As a staff we have tried to get as many things back to 'normal' as possible so that the children can transition back to school in a seamless way. As things change on a regular basis we will move into those spaces as we see the need.

A big thank you to the P&F who organized the Mother's Day stall. The children had a great time choosing their gift and I am sure that all our mothers will be spoilt on Sunday.

Chris Dunning
Principal

Curriculum News

School Photos

School photos are scheduled for week six of this term, Tuesday 2 June and Wednesday 3 June. More information will be forwarded to parents as the time draws closer; however, I wanted to remind you that full winter uniform needs to be worn (jumper and tie). Students wearing the pinafore will need to wear green socks, not tights. If items need to be purchased prior to photo day, the uniform shop is open every Thursday between 8.00-9.00am.

Gloria Ward
Assistant Principal Curriculum

Canteen News

Term 2 Winter menu is now in place. This can be found on our website. Warm homemade soups, butter chicken and homemade meatball subs are all being freshly prepared from next week to warm the children's bellies! Please remember you can order online at School24 or the children can drop their orders to the canteen or classroom lunchbox.

Examination date is **Friday, 28 March 2020** (Academic only). Please return completed application forms to the Registrar at registrar@trinity.wa.edu.au.

Asthma Update

With winter approaching, so is the cold and flu season, which can often be a trigger for many Asthma sufferers. Asthma flare-ups can come on slowly (over hours, days or even weeks) or very quickly (over minutes). A sudden or severe asthma flare-up is sometimes called an asthma attack.

Francis Jordan Catholic School is an Asthma Friendly school registered with the Asthma Foundation WA. One of the criteria for renewal was that all students requiring Asthma medication (reliever puffer) to be administered at school, do so using a spacer and (a mask for under 5 years of age). Our school Asthma Policy reflects this procedure.

Please ensure your child has their medication (reliever puffer), spacer and (a mask for under 5 years of age) clearly marked with their name in their school bag each day. Please do not store these in a plastic bag, a neoprene or paper bag is advised. If your child does not have a spacer or (a mask if required) then the school will need to provide these items for them. The cost of a disposable spacer is \$6, a spacer for under 5 years is \$16 and a mask is \$6. You will be required to reimburse the school for these items.

Thank you for helping us to keep your child safe in an asthma friendly environment.

Community Outreach

At the end of Term One, our students created beautiful booklets for the Joondalup Health Campus ICU staff to say thank you for caring for those affected by Coronavirus.

Lisa, the Clinical Nurse Manager wrote to the FJCS staff and students children saying: "May we take the opportunity to thank you and the pupils for our wonderful booklet you have given us. The staff absolutely loved it. It is lovely to know that we are being thought about at this difficult time."

It is so wonderful to see our students be of service to those beyond our school gates.
