Dear Parents and Caregivers

NAPLAN is over for another year and I am pleased to report all went well. On Thursday we had to postpone the Maths test by two hours while an Eastern States outage was sorted out, but all went well after recess. A big thank you to Mrs Ward who coordinated the testing and to the Year 3 and 5 teachers who administered it.

On the weekend the Salvatorian Founder Fr Francis Jordan will be beatified. Up-to-date information on how to watch the live stream on Saturday for those who are interested can be accessed through The Record website. If you can come along to mass at St Simon Peter Church on Sunday morning at 10am to celebrate this very special occasion we would love to see you. Our school is singing in the choir and we have students presenting a liturgical movement at mass. We are also selling commemorative candles that will be available from the office next week for \$10.

I would encourage all of our long distance runners to up their training over the coming weeks to prepare for our Cross Country carnival NEXT FRIDAY 21 MAY. Friday running club is a great way for the children to test their fitness.

Today is the last day to complete the school questionnaire. The link is [www.NSIPartnerships.com.au](http://www.NSIPartnerships.com.au) and the log on is FJPACS. The questionnaire only takes about 10 mins, and we would love your feedback. All of the students from PP to Year 6 have competed a similar questionnaire at their levels as well as all staff.

## **NAPLAN**

Our Year 3 and Year 5 students completed their NAPLAN tests this week. We are very proud of every single one of our students for trying their best and keeping their cool during the test week! Even though we know that these tests are simply a snap shot of student knowledge at this point in time and all results need to be viewed in context, we always want our students to experience success and feel a sense of pride in their achievements. All results will be released in Term Three.

## **SCHOOL PHOTOS**

Smash Photography will be taking our school photos this year on Tuesday 1 June and Wednesday 2 June. An information and online registration sheet has been sent home to all students. Please take the time to register your details online to make the purchasing process easier once photo day is over.

All students in Year 3-6 must be in full winter uniform (green socks for students wearing the tartan skirt, no tights, no tie). Students in Pre-Primary to Year 2 children will wear their sports uniform without sports jumpers. We will be providing sibling photos on Tuesday 1 June and Wednesday 2 June between 7.30am-8.30am in the Hall.

You will not need to collect a photo envelope as in previous years. This year, you simply need to write the name of your eldest child onto the form in the front office and when ordering, the sibling photos will be linked to your eldest child's special code.

Please only call the front office if you are unable to come in yourself to write your details down. I will send out a schedule closer to the date.

# BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags - they will be recycled to fund wheelchairs in South Africa.

Bread Tags for Wheelchairs has been recycling bread tags in South Africa since 2006. They currently collect about 500kg/month, which funds 2-3 wheelchairs. Now we are collecting in Australia too!

## What can I do?

It's easy ..... save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.

Visit our website for signage, to find your nearest collection point, or to host a collection point.
